Dear Mr. Nielsen:

It was great to see you again Sunday at Priscilla MacDougall's home! I just want to repeat my thanks for the generous donation you made to the Chicago Headline Club that allowed us to start the Les Brownlee Journalism Series.

As you know, the Series has become an important part of our annual programming. With your help, education of the journalism community has become far stronger.

So, thank you once again!

Sincerely,

Susan S. Stevens

Freedom of Information vice president
